

CAKE CUTTING GUIDE

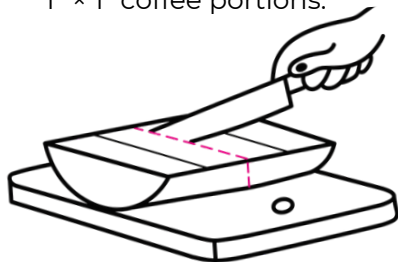

Step 1: Position a cutting board against the side of your cake and cut a 1" or 2" slice.

Step 3: Repeat across the cake until everyone gets their piece. Look at you, cake-cutting pro.

Step 2: Lay the slice flat and cut into 1" x 2" dessert portions or 1" x 1" coffee portions.

Step 4: For extra-tall cakes, cut portions through the middle for smaller, easier-to-eat slices.
